

BUILDING WITH BRILLIANCE

Who we are

Welcome to Cordoba Horizon - a horizon that offers premium project support, supply and services in the State of Qatar! At Cordoba Horizon, we believe in creating new horizons for our clients by delivering innovative and customized solutions that are beyond their expectations. As a company that primarily focuses on the oil and gas sector, we understand the need for excellence, and we are dedicated to providing it to our clients.

Our team of experts operates with a purpose, putting honesty, dedication, industry expertise, and integrity at the forefront of everything we do. We value our clients' time, and we always strive to exceed their expectations with our top-notch services and innovative products.

At Cordoba Horizon, we're dedicated to helping our clients bring their construction dreams to life. We offer a wide range of building materials, including cement, steel, wood, and roofing materials, as well as aluminium, steel, and glass trading services. Plus, our team of experts provides timely and efficient building maintenance solutions to ensure our clients' properties remain in excellent condition for years to come. From start to finish, Cordoba Horizon is here to help you build and maintain your construction projects with top-quality materials and services.

Vision

Our vision is to provide excellence in managing the complexities of our customer's supply chain requirements. This Vision is supported by two fundamental principles that provide the foundation for all of our activities: Organizational Excellence and Core Values.

Mission

Our Mission to successfully deliver the best value for our Customers by combining aggressive strategic marketing with high quality, cost effective products and services in time, every time.

Innovative Solutions for Steel, Aluminium, and Glass Fabrication and Installation

Our team of experienced professionals specializes in all types of steel fabrication and installation services. From gates and handrails to pergolas and stores, we provide customized solutions to meet your specific needs. With our state-of-the-art equipment and skilled craftsmanship, we deliver high-quality results that are durable and long-lasting. Our precision-engineered aluminium products are made to withstand the harshest weather conditions, ensuring that they will last for years to come.

We offer comprehensive aluminium works fabrication and installation services for residential, commercial, and industrial properties. Our team of experts can design, fabricate and install all kinds of aluminium works, including doors, windows, ACP cladding, automatic doors, handrails, skylights, signboards, and more. We use the latest technology and materials to ensure that our solutions are of the highest quality. From simple structures to intricate structures, our team has the expertise and equipment to create any glass product that you require.

Our glass works fabrication and installation services cater to various industries, including residential, commercial, and industrial. We specialize in curtain wall, shop front works, shower room partition, office partitions, mirror works, stained glass works, and more. Our team of professionals has extensive experience and expertise in delivering high-quality and customized glass solutions. Lastly, our glass works fabrication and installation offer unbeatable strength and durability.
