We offer whole professional human capital resource. We provide services in Mechanical, Electrical, BIM, Structural, Architectural & Civil sectors

VISION

Our vision is to collaborate with our clients in developing and providing the most cutting-edge professional HR outsourcing solutions and services, enabling them to respond to shifting business demands. We want to be known as the top provider of this solutions.

MISION

With a focus on integrity, social responsibility, and top-notch customer service, and with the utmost consideration for both our resources and our esteemed clients, we are charged with providing the best employees to our clients and upholding a quality standard on professional HR outsource handling and servicing clients.

We owe this distinction largely to adherence to our dedication to our fundamental beliefs and principles as well as our conviction in a corporate vision that vigorously supports quality of service. This vision includes a commitment to quality, a well-regarded name, experience, and knowledge.

Our industries of service

For any recruitment company, the industries they serve are of utmost importance. But at CH, we take pride in our capacity to successfully and consistently realign ourselves with a changing environment. We offer services which help companies succeed in ever so fast-changing, uncertain world of work and connect people to meaningful employment opportunities every year. We deliver the solutions to suit your precise business needs.

Our services

Cordoba Horizon Group offers extensive services and solutions related to the sourced workforce. We work hard to exceed our clients' expectations by offering creative, quick solutions. By reducing the amount of time it takes to address difficulties, we make it easier for our clients to recognise and handle problems. With the aid of our value-generating services, we assist customers in adding value to their enterprises.

Our working process

We liaise with our clients to understand their human resource needs such as the number of workers required, job description, duration and its related welfare requirements. Working closely with our recruitment team, we will match the requirements of our clients with the suitable workers and prepare a proposal specifying the terms and conditions including fees structure. Typically, as required under the Qatar employment policies, Cordoba Horizon Group will try to source local workforce ultimately. However, in the event of lack of interest from local workforce, it will be necessary to proceed with the application for outsourcing from other origins.
